## Reflections

The Lord God hath given me the tongue of the learned, that I should know how to speak a word in season to him that is weary: he wakeneth mine ear to hear as the learned. Isaiah 50:4, As I think of the time we're living in, it sets off an alarm inside of me that sets my heart to cry out the instructions given to us by our prophet and our apostle. "Keep in Step" and "Stay Together". We are in the heat of the battle it's not yet time to celebrate. It's time to keep a stronghold on our enemy, don't let up! God has given us a sanctuary which is his word it defeats the enemy every time! Remember it's not him that runs the fastest but to him that endures to the end. My dear brothers and sisters this is our final push to the finish. As the apostle Paul said "I press toward the mark for the prize of the high calling of God in Christ Jesus". For everything there is a time and a season, This is our time, This is our season!

"When we look and see that morning star just a glistening in the skies, it means that the sun will shine pretty soon. And when we see the morning stars of God rising and shining to the glory of the resurrection of Jesus Christ, shows that that supreme one is pressing on. The lights are gathering, but the morning star hollers, "Hold On; it isn't long till daylight. Hold on, it's not long till daylight. Just Keep Holding On". - 55-0109e

God bless You!

## Greetings From Saltillo

God bless you all. Saints of the Lord in Las Cruces, New Mexico, please pray for your Bros. in Christ in Saltillo, Where we also are fighting the good battle of Faith. We will be starting to build our Church this month of February and will need your prayers in order to be able and accomplish this great task for the honor and glory of God and his Children. We have been studying the book of Hebrews and would Like to share with you all the following quote from our Prophet, speaking on trials and afflictions.

Hebrews Chapter 4 - Now, we notice over here then, that He said...For some, when they had heard, did provoke:... Certainly. They got weary every time they'd get to a place where a--a showdown come, then what would they do? They would fly loose and get weary and want to turn back, and "Why did this happen to me?" strange thing, this morning after preaching that just as hard as I could, there was many came to the altar and questioned it, "Why does this happen to me?" You see how it goes? It goes over the top of the people's head. It's just the same people. Jesus said, "You have eyes but you can't see." He said that to the disciples. They said, "Lo, now Thou speakest plainly; now we believe. No man has to tell You anything, 'cause God shows it to You." He said, "Do you now believe after all this time?" See? You mustn't question anything to God. "For the footsteps of the righteous is ordered of the Lord." And every trial is put upon you to prove you. And the Bible said they're more precious to you than gold. So if God let a few light afflictions happen to you, remember, it's for the correction of you. "Every son that cometh to God must first be chastened of God and tried," child-trained. There's no exceptions, "Every son that cometh..." And these afflictions are done or brought--brought about to see what attitude you'll take. See, it's God on this proving ground. That's all earth is, is a proving ground, and where He's trying to prove you.

Special greetings to your lovely Pastor Bro. Caleb Perez and the Ministry in your Midst . You all have been a Great Blessing in our Lives. May the Lord Richly Bless you all for serving God's purpose.
