Reflections

It surely is a privilege to be a Christian and to get to write this month's reflections.

I, myself, am so grateful to God for all He has done for me. He's been so good to me and my family. We are truly blessed that He is living within our hearts. In this hour we are living in, it seems to be so dark; but the Lord reminded me that stars can only be seen and can only be the brightest when it's dark. So if we are God's stars, then let's shine as bright as we know how. For we are the Royal Seed of Abraham and no matter what darkness is around, the bible says we shall possess the gates of our enemy's. So let's just stay shining for the whole world to see that God's not dead. He's alive and living in the heart of the believer. May God richly Bless you, and keep us in the palm of His hand.

I want to see you rooted and grounded in that **Holy Faith**. I don't want to see you tossed about, by every little wind of doctrine come by, and shake you, and carry on, and have a little blood in their hands, or a little frost on their face, or something another, and seeing some kind of—of—of lights before them, and some kind of a—a selfish thing, as the Bible said, "Puffed up in his heart, and seen nothing." That's right. I want you to be solid on the Word. If it's **THUS SAITH THE LORD**, stay with It, live with It. That's the Urim Thummim of this day. God wants you to live by That. If it's not in the Word, then forget about it. **Live for God**, live for Christ.

**GREETINGS FROM CROSS
ROADS YOUTH!**

We are happy to report that God's Grace is *still* sufficient! In the swelling tide of darkness, as society around us continues to deteriorate, Grace has found a way! Reaching into the dark He pulled us out, dusted us off, told us we are more than conquerors, and gave us a new name! We are more than grateful! And so, with our eyes fixed on the Cross we are looking forward to what the remainder of this year holds in store for us! As young people, we carry the torch of a new day, tomorrow rests on our shoulders! With that blessing comes great responsibility. What will we do with the Grace that we have been given? What part are we to play in this ever unfolding scene? How will God take these hands and this heart and use them to show the world that He lives? With those questions in mind, we take our next steps, seeking His guidance and help along the way. We also ask for your support, the Body of Christ, our parents, elders, and friends, who have so much to teach us! Help us grow this year! Help us understand that we all were placed here for a reason, and that it is critical that we wake up and start living with a purpose! We've started a new season at Cross Roads Youth and our focus is "My Purpose." We don't want to wander through life aimlessly! We've decided that the modern mindset of YOLO, and "I was born this way", just won't cut it for us. This self-centered, entertainment driven, disrespectful, no time for God society, isn't who we are! We were created for something far greater than what you can see or what feels good. We have real value, and our worth is what drives us to understand who we are in Him!

Ephesians 1:11 tells us, *"In whom also we have obtained an inheritance, being predestinated according to the purpose of Him who worketh all things after the counsel of His own will."* Praise God! Therein lies our purpose! The "purpose of Him" - And it was His will that we be predestinated to find it!

God Bless You!
