In Memory of Bro. Pearry Green

Our Precious Bro. Pearry Green has gone on to be with our Lord. (08. .2015)
We are so grateful for his contribution to God's Kingdom.

One of Brother Green's most significant accomplishments in his early years was an innovative way to bring churches together through what Brother Branham called the "telephone hookup." It provided a way for hundreds of believers in all parts of the country to hear the prophet speak live, and in their own churches. He carried on this work through the years, always coming up with new ideas to get the Gospel to as many people as would hear it.

"We're on the telephone hookup, which is a fine little system that we have been able to get, through our Brother Pearry Green from Beaumont, Texas. And the churches, completely, that's following the Message, all the way across the United States, is hooked up, tonight."

Reflections

-Bro. Emilio Perez-

Proverbs 22:28

"Remove not the ancient landmark which thy fathers have set."

Reading this scripture I received so much, and it comes to mind, that everything that has been deposited into me has made me a landmark, beacon. I believe that's what we are to this world. We must reflect to the people in our age, that while the world has been tossed about in their lives, they can look to beacons, and reflectors here, and come to safety.

I'd like to thank God and Bro. Thomas Perez Sr.

Twenty years ago, Bro. Thomas asked me if I would move to Las Cruces with his son Caleb Perez, to help him. I remember before he even finished telling me, I knew my answer. I had just bought my wife her home, but it didn't matter, for I knew that He could provide.

So if I've learned anything in this twenty years, is to be a little light. To Reflect. Maybe it made a little bit of a road for someone to travel. Then it has all been worth it.

"[...] the Light came, and the Light was the Lord Jesus. And law faded out (See?), when the Light taken its place. Now, but the moon in there, there was enough in the reflection to reflect the light, showing that there was a hope, and a blessed place to go to after life was over, for the law reflected that in the Light of the Gospel. Now, the moon is to give light while it's dark, in the absence of the sun. And now, the Church is to give the Light, a lesser Light, in the absence of the Lord. And then when the light, as the moon is shining, and the sun comes into the moon, they both blend together, and it makes one light, so will it be when the Lord Jesus returns. The Light that the Church has reflected... And the same Jesus, the same works, the same Light, the same thing that He did when He was here on earth is reflected by His Church, showing that He is living somewhere. When I look out tonight and can see the moon a shining, the stars shining, the lesser light, when I can see that, it's a guarantee of one thing: that the sun's shining somewhere. That's right."

**THE NEXT TIME
SATAN REMINDS YOU
OF YOUR PAST,
REMINDE HIM OF HIS FUTURE.**

Today

By: Sister Tabitha Chavez

In the Garden of Eden was a serpent like a man, he even stood tall
 But *today* it is still believed that an apple caused the great fall
 The Lord destroyed the wicked Sodom & Gomorrah, even turned Lot's wife to salt
Today we see modernized versions of that & those who don't take part- are in a "religious cult"
 Moses raised his hands during a long battle, for it was theirs to win
Today hands can't even raise in gratitude for taking away our sin
 Joshua took Israel across Jordan & to the Promised Land
 But *today* the name 'Jordan' is an old ball player with a fancy shoe brand
 He came unto His own & was not accepted, even though He paid the ultimate price
Today all other forms of payment are accepted, giving way to spirits that entice
 Christ was crucified, He rose, & The Holy Spirit came on Pentecost
Today most are just satisfied with leaving Jesus up on the cross
 It's been told to put on God's armor, for the minds what satan sought
 Yet *today* it's been said, WWII's the greatest battle ever fought
 God in His great plan, gave freedom for souls that were vexed
Today our great plan....is unlimited talk & text.
 As a gift, God has given each faith in measure,
 Still *today*, instead of lovers of God, there's more lovers of pleasure.
 Those written in The Lamb's Book of Life will be in glory's midst,
 Yet *today* it's more important to make sure your names on Santa's list.
 God's prophet is his mouth piece- used when there's a warning to send.
Today the only profit wanted is revenue gain, leaving money to spend
 So let us leave behind a world that's so petty
 For *today* stands a bride & she's made herself ready
 If Jesus told the criminal, "*Today* you will be with me in paradise"
 How much more will He validate all the virgin that were wise?
 God gave free will so *today* we could choose who to serve
 But we choose Jesus, who's been for us, more than we deserve
 We serve the God who's the same yesterday, *today*, & forever
 For He's always with us & promises we'll be alone never
 So *today* if you hear His voice, harden not your heart
 And if you haven't yet chose Him, *today* is the best day to start.

65-0822E - A Thinking Man's Filter

"And as the days grow closer and closer, and the narrowing of the path, we—we want to go closer together. My, we must be just one, one body. We must move together, forgetting one another's sins and our differences, and just sticking closer and closer and closer, as we see that Day approaching. Assembling ourselves together, all with one accord and one heart. And if a brother, sister gets out of the way, in any way, don't do nothing but pray for that person, and in love, always considering one another. Don't—don't never let one of you get away. Stay together. And, if you can, add more to it, constantly, all the time."

Luke 6:36-38
Be ye therefore merciful, as your Father also is merciful. Judge not, and ye shall not be judged: condemn not, and ye shall not be condemned: forgive, and ye shall be forgiven: Give, and it shall be given unto you; good measure, pressed down, and shaken together, and running over, shall men give into your bosom. For with the same measure that ye mete withal it shall be measured to you again.
